- ‘Ready to Work’ programme – SWRAC
- A-levels and further GCSE’s at Aurora Boveridge.

Parent feedback:

‘My son was very supported with his own transition meetings, and I know he felt that support and appreciated it.’

‘From initial discussions on post-16 choices through to supported appointments with the post-16 choice, we were given information as needed and felt my son’s needs were considered and worked with. I also feel that the students are given good opportunities to help them make decisions about their post-16 choices’

‘Thank you for everything you've done for R..., you truly have helped him to grow into an amazing young man. You have supported and encouraged him along and it has made such a difference. Getting his [part-time] job has been life changing for R’.
